

HOW SOON CAN I GET HELP

When the Housing Choice Voucher Program at West CAP receives your application and if you are eligible, your name is placed on the waiting list. The Housing Choice Voucher Program generally assists 90 households in all of St. Croix & Pierce Counties at one given time. As someone leaves the program the next applicant is taken from the waiting list.

It is MOST IMPORTANT to keep the Housing Choice Voucher Program informed of any change of address, so we can contact you when your name comes to the top of the waiting list.

WHEN YOUR NAME COMES TO THE TOP OF THE WAITING LIST

When your name comes to the top of the waiting list you will be notified by letter to come into the office to receive your voucher and attend a tenant briefing (explaining the rules of the program). You will decide whether you can stay in your present rental unit to receive rental assistance, or whether you wish to move.

If you want to find another rental, the assistance cannot start until you find a place... You have 60 days to do this.

APPROVAL OF RENTAL UNITS

The St. Croix & Pierce County Housing Choice Voucher Program does not own any rental properties. You find your own housing from a private landlord. Your portion of the rent may be no more than 40% of your adjusted income upon entering the program and at every move there after. All rental units must pass a rent reasonableness evaluation. The Housing Choice Voucher Program cannot approve of a unit if the landlord/owner is the parent, child, grandparent, sister, or brother of any member of the family, unless the Housing Choice Voucher Program determines that approving the unit would provide reasonable accommodation for a family member who is a person with disabilities.

It is a requirement to sign a **ONE-YEAR LEASE** for the first year only.

The purpose of West CAP's Housing Choice Voucher Program is to seek housing opportunities available to lower income residents of St. Croix and Pierce Counties, to be a resource to those in need of affordable housing, and be an information source related to fair, accessible and safe housing.

WHAT IS A VOUCHER

The Housing Choice Voucher Program is a federally funded program with the U.S. Department of Housing & Urban Development (HUD).

The goal is to provide assistance to persons in renting safe, decent, affordable housing in St. Croix and Pierce County.

Persons in the rental assistance program usually pay 30 percent of their income for rent. The Housing Choice Voucher Program pays the balance directly to the landlord.
