- **Who wants to compile the information** – Lori Hallas, Susan Tucker, Debbie Bushman
- **Next Steps** – how do we put together a statewide plan together after the information is compiled?
 - **SUGGESTIONS**
 - Are there commonalities across the state?
 - Based on information collected-how can we assist locals with discharge planning?
 - as an education piece to the institutions so they do send clients to McKinney-Vento programs
 - How can we be a part of the plans already in place?
 - Keep everyone more informed about our local CoCs and program regulations
 - FINAL DECISION** – wait until information is compiled to see if there are any similarities and decide where to go from there

3- Adjournment – 2:30 pm
