1- **Introductions**

All committee members introduced themselves and which CoC they are from.

2- **Discharge Planning Spreadsheet**

We reviewed the spreadsheet for those who are not CoC leads and had not seen it before. Susan has not received any responses as yet. No questions have been received regarding how to fill it out. The due date is May 5th. Lori Hallas, Debbie Bushman and Susan will compile the responses and look for commonalities. Hopefully we will have something to report on for the next meeting.

3- **Adjournment** – 2:15 pm. Next meeting will be May 29, 2014 at 2 p.m.
